Testimonials of Placed Students:

PRIYAL KESHARWANI,
PGDM Marketing,
Batch 20-22

I got placed in Outlook Group. The credit goes to the TGBS ecosystem which has extended opportunity to explore in this area. Self was also encouraged to experience AMUL live project which gave me a nice exposure to the FMCG industry which has helped me to gain my practical knowledge and personal growth. My institute also conducts various activities which provides an understanding to budding leaders about their area of interest and helps them to accomplish it. My work with the Outlook Group greatly increased my interest in marketing all together. I look forward to taking what I've learned with me into my job search and applying these strategies to future Marketing roles I take on. "Work hard, be kind, and amazing things will happen". Thank You TGBS!!

My experience in TGBS has been very eventful till now. The various HOFs & one-on-one mentoring sessions have helped me gain knowledge about my area of interest – Banking. I am more focused on the same and currently doing my summer internship in Bank of India (BOI) in the Treasury Department. The boot camp and placement preparedness sessions helped me during the process of applying in BOI. With my passion and dedication, I wish to successfully complete my internship and make a career in the Banking Industry. Gratitude to TGBS for making this possible for me!
