Testimonials of Placed Students:

I got placed in Outlook Group for my SIP & I would like to thank TGBS for providing me such a nice opportunity to explore in this area. My institute also conducts various activities which provide a great exposure to students to enable us to explore our area of interest and helps to achieve it. My work with the Outlook Group greatly increased my interest in marketing all together. I was able to really take ownership of my work and network with people around. I look forward to taking what I've learned with me into my job search and applying these strategies to future Marketing roles. I once again convey my gratitude to the entire TGBS ecosystem for making this possible.
