

# THAKUR GLOBAL BUSINESS SCHOOL

## *Aspirations To Reality*

**JULY – SEPTEMBER**  
**2023**

## ORIENTATION PROGRAM

TGBS organized an Orientation Program for FMHO Sem III students. Activities included simulation exercises, course briefing, SIP, placement strategy & management games.

## INDUCTION FOR PGDM 23-25 BATCH

With that enthusiasm the Batch of PGDM 2023-25 kick started their journey by attending the induction programme

The event started with an address by Dr. Nilesh Gokhale, Director TGBS, and Dr. Shuchi Gautam, Deputy Director TGBS, followed by a keynote address by Mr. Shailesh Kumar, Sr.EVP and National Business Head (Kotak Securities), who spoke about 'The Future Roadmap' and by Mr. Sushil Thakur, Director, Digital Transformation, Tech Consulting (Ernst & Young), who spoke on 'India in the Making of a Developed Nation'. Non-Teaching, Cells & Committees, and the Library will be introduced next. Self-management, SWOC analysis, subject orientation, a code of conduct, and experiential learning activities were the highlights of the remaining days. The induction program also involved an alumni panel discussion on the last day. Overall, the onboarding process via induction was effectively executed and was appreciated by PGDM 23-25 students.

## HR CONCLAVE

HR Conclave by Thakur Global Business School is a significant initiative that likely involves bringing together industry experts, HR professionals, and students to discuss and share insights on various human resources topics.

The inclusion of examples in an HR Conclave on human behavior is a powerful way to make theoretical concepts more relatable and provide practical insights to attendees.

The organization of an HR Conclave focused on human behavior by Thakur Global Business School is a commendable initiative. Such an event would likely delve into discussions and insights about understanding, managing, and leveraging human behavior within organizational settings.

FACULTY ACHIEVEMENT

## PARENT TEACHER MEET

Certainly, during a Parent-Teacher Meeting (PTM), the Director of Thakur Global Business School, share valuable insights about the academic performance, progress, and overall state of affairs within the college.

Conducting parent-teacher meetings is an essential component of ensuring effective communication between the educational institution, faculty, and parents. These meetings provide an opportunity to discuss a student's academic progress, behavior, and overall well-being.

### EMBRACING WISDOM WITH DR. RADHAKRISHNAN PILLAI: A PATH TO SUCCESS

Recently, our College was privileged to host the eminent author and speaker, Dr. Radhakrishnan Pillai, who shared invaluable insights derived from his acclaimed works "Chanakya in You" and "Corporate Chanakya."

During his guest lecture, Dr. Pillai eloquently discussed "Saam, Daam, Dand, Bhed," emphasizing negotiation strategies, and shed light on the significance of "Vastra, Astra, Shastra," highlighting the role of attire, weaponry, and knowledge in achieving success.

His guidance not only inspired but equipped our students with practical wisdom to navigate the corporate world, leaving an indelible mark on Their pursuit of success. We extend our heartfelt thanks to Dr. Pillai for his transformative session and eagerly anticipate future collaborations to foster continued learning and empowerment.

## GUEST SESSIONS

### **Word on AI by Ms. Preethy at Thakur Global Business School**

Ms. Preethy highlighted two key aspects: the practical use of ChatGPT and the immense future potential of AI. She showcased ChatGPT's versatility in diverse fields, emphasizing its role in revolutionizing communication and user experience. Additionally, she underlined AI's future impact, stressing its pivotal role in transforming industries and fostering innovation for a more efficient world.

### **Capital Markets Awareness Talk by Mr. Ravindra Singh Chawla at Thakur Global Business School**

Mr. Chawla's expertise and engaging discourse made the session informative and engaging for all attendees. The audience comprised students, professionals, and enthusiasts eager to expand their knowledge in the realm of capital markets.

## THE WRITE STUFF: ESSENTIAL SKILLS FOR MANAGEMENT

Mr. Apurv Gangar made his presence available on the grounds of TGBS to share some of his knack for cracking the code of “How to be a better written communicator” with the students of semester 1. With the advent of the digital age, it has become difficult to communicate effectively in written form. Clarity and precision allow us to be clearer and more precise in our communication than we can be when speaking. The significance of written communication is permanent, which means that it can be used to create a record of our ideas and decisions. Also, it is often seen as more professional than verbal communication. This is because it shows that we have taken the time to carefully consider our message and to present it in a clear and concise way. Being asynchronous, which means that it does not require the sender and receiver to be available at the same time. This can be helpful for busy people who need to communicate with each other on their own time.

## GUEST SESSIONS

The TCEI Cell of TGBS organised a session on Entrepreneurship landscape today and tomorrow by Sidharth Nair where he discussed Entrepreneurship in India is on the rise, with the country becoming a global hub for startups. According to the Global Entrepreneurship Monitor (GEM) Report 2022-23, India has the third-highest entrepreneurial activity rate in the world, with 14.4% of the adult population starting or running a new business. India has the world's largest youth population, with over 600 million people under the age of 25. This young demographic is well-educated and tech-savvy, and is eager to start their own businesses. India has a thriving startup ecosystem, with a number of accelerators and incubators that help startups to grow and scale their businesses.

## EQUITY INVESTMENT AND TRADING

TGBS Finance Department organized training on “Equity Investment and Trading” for PGDM Sem III students. The training was in collaboration with Imarticus Learning, Mumbai, which is an acclaimed training organization having a global presence. The training was conducted by Mr. Murali Rajagopalan, trainer at Imarticus Learning. The broad areas covered under the topic included Introduction to Equity Trading, Fundamental and Technical Analysis, Portfolio Management to name a few. The pedagogies adopted by the trainer were Case Study, Excel Practice, Video Based Discussion and Simulation exercises like using Trading Platform real time.

## FINANCIAL MODELING WORKSHOP

Thakur Global Business School conducted a financial modeling workshop, it's likely to be a valuable and practical learning experience for students. Financial modeling is a crucial skill in the field of finance, helping professionals analyze and make informed decisions based on financial data.

Conducting finance training at Thakur Global Business School is an excellent initiative to equip students with practical knowledge and skills in the field of finance.

## TVS

An excellent initiative by Thakur Global Business School to conduct an industrial visit to TVS. A visit to a prominent company like TVS provides students with firsthand exposure to the operations of a leading business in the automotive industry.

## FEATHERLITE

Conducting an industrial visit to Featherlite by Thakur Global Business School provides students with a practical exposure to real-world business operations and manufacturing processes in the furniture industry.

## BEACH CLEANING

The SRSC Cell of TGBS organised a beach cleaning activity after Ganesh Visarjan on 29th September 2023. It was a noble initiative taken up by the students in cultivating a sense of social welfare of the society at large.

## SAVE THE FLAG INITIATIVE

On August 16, Thakur Global Business School collaborated with the Being Sevak team to initiate a campaign aimed at collecting national flags that were discarded or improperly disposed of on roads. This noble effort was dedicated to ensuring the respectful handling of the national flag, a symbol of pride and unity for the country.

## FLAG COLLECTION

This campaign not only highlighted the importance of proper flag disposal but also aimed to raise awareness about the significance of upholding national symbols with reverence and dignity. The collaborative effort between Thakur Global Business School and the Being Sevak team served as a commendable example of civic responsibility and patriotism, fostering a sense of duty towards the nation among the students and the community.

## LEARNING FROM YOUNG ENTREPRENEURS

The TCEI Cell of TGBS organized an 'Alumn Panel Discussion' for the students of TGBS with alumni who gave their acumen of how the world of entrepreneurship works. The challenges they faced, the conviction to go ahead, and the roadmap to proceed on the entrepreneurial journey were discussed.

## CAMPUS TO CORPORATE

An Alum Simulation session was organized on the 22nd of July 2023 for PGDM-Semester-3. The evaluation process involved detailed Mock Interviews conducted by alumni working with esteemed brands like Deloitte, Citi and JP Morgan Chase & Co. The alumni conducted Technical Interviews and asked questions in lines with the students' choice of sector to help the students know more about their preferred sector and profiles. Real-time feedback was provided to the students in order to improve their performance.

## CAMPUS TO CORPORATE

On 9th September Alums Mentoring session was organised for the students of Finance, Marketing, HR and Operation, where every student according to their specialization interacted with the alums who gave them insights on how their specialization could benefit them in various career aspects.

## SPECIALIZATION MENTORING

An Alum Specialization mentoring session was organized on the 16th of September 2023 for PGDM-Semester-1. The evaluation process involved detailed know how of gaining knowledge about the students preferred sector and how they can start working in the direction for attaining a job for the same. conducted by alumni working with esteemed brands like Deloitte, Citi and JP Morgan Chase & Co. The alumni asked questions in lines with the students' choice of sector to help the students know more about their preferred sector and profiles. Real-time feedback was provided to the students in order to improve their performance.

### CELEBRATIONS

Student Council of TGBS organised teachers day celebration where it was celebrated with great enthusiasm. Students organize various activities to express their gratitude and appreciation towards their teachers. Some of the activities include: performances like singing, dancing, and drama, Gift presentations and cards, Special meals and luncheons, Fun games and activities. The Teachers' Day celebration at ABC College was a huge success. The teachers were deeply touched by the students' efforts and expressed their gratitude for their love and support. The celebration was a reminder of the special bond between teachers and students, and the important role that teachers play in our lives.

### SPORTS ACTIVITY

Organizing sports activities for students at Thakur Global Business School is a positive initiative that contributes to the overall well-being and development of the student community.

Organizing sports activities at Thakur Global Business School is a great way to promote physical fitness, teamwork, and a sense of community among students.

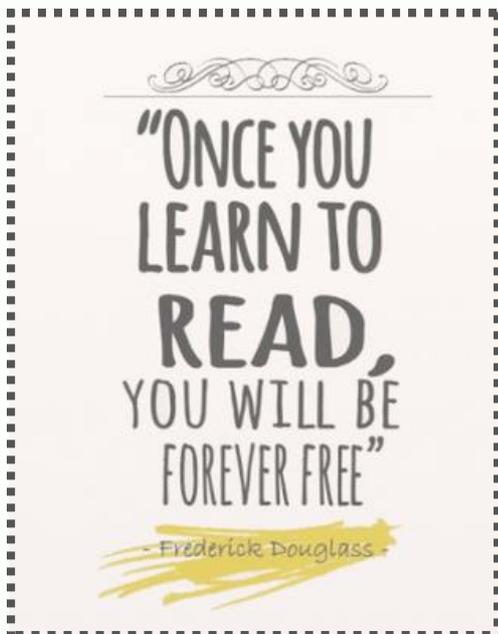

*“In a world of wires and code,  
Technology's bright.. it's our guide,  
With screens that never seem to fade,  
We journey on this digital ride.*

*From circuits small to skies so wide,  
A symphony of ones and zeros,  
Innovation's unending tide,  
In this realm where progress flows”*

Divya Deora  
PGDM SEM1**

## ***How to Start Reading ?***

*Schedule a time for reading*

*Start Small*

*Read what you love*

*Read fun and compelling books*

*Get a reading partner*

## ***PLACE WHERE FUTURE COMES FROM.***

*The college campus buzzed with life as students hurried to their classes, the air filled with the aroma of freshly cut grass and the sound of lively conversations. The grand old buildings stood as a testament to the institution's history, while the modern facilities spoke of its commitment to the future. Under the shade of ancient trees, students gathered in animated clusters, their laughter mingling with the rustle of leaves. It was a place where ideas flourished, friendships blossomed, and the promise of tomorrow hung in the air like the scent of spring.*

PGDM SEM1**

## ***Why Reading is Important ?***

*Reading requires you to have the patience to build a cognitive perspective. This is considered to be a prime brain-stimulating activity to sharpen your mind. Individuals engaged in reading have a slower memory decline than those who avoid reading. It also improves memory and builds focus.*

*“In the corridors of Thakur Global Business School,  
Where knowledge reigns and aspirations rule.*

*Alumni tales whisper through the air,  
Guiding students with a wisdom rare.*

*Guest speakers grace the hallowed halls,  
Their insights echo through the walls.  
Connections blossom in this sacred place,  
A network expanding with every embrace.*

*Core interests explored, passions ignite,  
In the heart of learning, the spark takes flight.  
Exploration and fun, hand in hand,  
Thakur Global, where dreams expand.*

*With friends by your side, laughter in the air,  
A tapestry woven with memories rare.  
Giving and taking, a vibrant exchange,  
In the journey of knowledge, we rearrange.*

*So here's to Thakur Global, a name so bright,  
A beacon of learning, a guiding light.  
In the canvas of business, where stories are spun,  
Thakur Global, a legacy begun”*
